

# Sports Premium Strategy

## St. Joseph's Catholic Middle School

### Hexham

#### Review of last year's spend and key achievements (2022/2023)

Activity/Action	Impact	Comments
Reintroduction of competitive sporting opportunities for pupils against other schools.	Pupils were proud to represent their school and developed social and communication skills.	Although the level of intra school competition is yet to return to pre covid levels it is to be expected that this will continue to be developed for this academic year (23/24).
Development of extra-curricular dance class.	Pupils gained specialist coaching. Provided an additional opportunity for pupils to be active. Pupils performed for parents.	Further development of opportunities for pupils to demonstrate their skills to parents (Update – Christmas performance was held, and a summer performance is scheduled to take place).
Provision of equipment to be used at lunchtime to provide opportunities for pupils to be active.	A range of clubs are available to students. Sports leaders are used to support student activities. Attendance in dodgeball club in Y5 in particular was high.	Development of House competitions to link into sports clubs. Further use of the fund to purchase equipment and link to PTA/school council funds where possible.

## Key priorities and Planning

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Further development of lunchtime sport sessions/activities for pupils and after school clubs	Teaching staff, external coaches, teaching assistants and sports leaders - as they need to lead the activity  Pupils – as they will take part.	Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.  Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.	£1000 costs for additional coaches to support after-school sessions. Equipment purchased to provide more opportunities for pupils.
Y5 & Y6 pupils to attend High Borrans, Dukeshouse Wood and Robin Wood outdoor activity centres	Teaching staff as they will be required to stay on the residential trip and complete risk assessments prior to the trips. Pupils – they will get to experience activities not available within school.	Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity	Pupils are physically active and develop social skills from residential visits. Friendships are enhanced that can support pupils at school and in the wider community.	£6000 is to be used to subsidise the trips for pupils to enable as many pupils as possible to attend.

Y8 sports leaders to be used to support pupils and provide a wider range of opportunities for KS2 pupils.	PE staff will be required to organise a rota for pupils. Pupils – more sporting activities and equipment provided for pupils.	<p>per day, of which 30 minutes should be in school.</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p> <p>Key indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement.</p> <p>Key indicator 5: Increased participation in competitive sport.</p>	Sports leaders are seen as role models by younger pupils, which develops a more positive view of sport within pupils. Pupils aspire to be Sports Leaders in the future.	£600 on hoodies for sports leaders.
---	---	--	---	-------------------------------------

Take pupils to intra-school sporting events	Staff to complete risk assessments and supervise pupils. Staff to promote achievements of pupils via school social media platforms. Pupils – opportunities to experience events away from St Joseph's. Opportunity to mix with other pupils from different schools.	Key indicator 5: Increased participation in competitive sport.	Links with Active Northumberland and other schools are maintained to ensure events continue year on year. Pupils represent their school and view physical activity positively and are proud of their achievements.	Affiliation and entry fees to events such as the KS2 football leagues and athletics affiliation to Northumberland athletics. Transport costs to enable the school to transport pupils to different venues for fixtures and festivals.
KS2 dance. Dance specialist providing pupils with high quality dance provision.	Pupils – links to extra curricular clubs both inside and outside of school.	Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.  Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.	Consistent delivery of dance across KS2. Teachers are more confident at assessing dance as demonstrated by moderation of grades. After school dance club now run by non PE specialist teacher (register of attendees kept) Pupil assessment levels are high for this activity.	Total cost - £5000  Cost - £700

<p><i>Purchase equipment for lessons delivery. This is to include handball equipment to trial in lessons with the view to develop for academic year 2024/25.</i></p>	<p><i>Staff – to order equipment when required through regular checks of stocks. (Cricket balls, table tennis balls in particular). Staff to look at resources for handball schemes of work for academic year 2024/25.</i></p>	<p><i>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</i></p>	<p><i>Wider range of activities available for pupils. Potential for further links to outside clubs in the community.</i></p>	<p><i>Cost - £2500 For updating equipment and purchasing handball goals and equipment.</i></p>
<p><i>Development of a sports week in the summer term so that all pupils take part in at least 1 hour of physical activity a day.</i></p>	<p><i>Subject leader to be given time to liaise with staff to organise a timetable for all year groups. Subject leader to contact external agencies to arrange a variety of different activities for pupils to participate in.</i></p>	<p><i>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</i></p> <p><i>Key indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement.</i></p> <p><i>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</i></p>	<p><i>All pupils will be more physically active during the week than during a normal school week. Pupils will experience unfamiliar sports and activities that they may wish to pursue outside of school.</i></p>	<p><i>Cost £1200 – To pay for external coaches and equipment to provide a range of sporting opportunities for pupils.</i></p>

## Key achievements 2023-2024

Activity/Action	Impact	Comments

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	<i>Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	<i>Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	%	<i>Use this text box to give further context behind the percentage.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No	

Signed off by:
